Day 1

Masai Mara National Reserve

Your safari starts here, and we're as excited about getting going as you are. We're really looking forward to meeting you, introducing you to your guide, and taking you out on the first steps of your safari.

We think you'll love the Masai Mara National Reserve, one of the best places to watch wildlife anywhere in Kenya. You're almost guaranteed to see plenty of predators, including lions, leopards, cheetahs and spotted hyenas. With so many impalas, zebras, wildebeests, buffaloes and other prey species here, as well as over 500 bird species, you'll see plenty of safari action. Also everywhere are elephants, giraffes and hippos, and everyone who visits falls in love with the Masai Mara's classic safari landscapes.

Nairobi

Nairobi is your unforgettable gateway to so many Kenyan safaris. Apart from its very own national park, it promises world-class wildlife-rescue centers and museums, as well as markets, shops, bars, nightclubs and, above all, fine restaurants.
